Dear colleagues!

We would like to invite you to the international scientific conference „**CURRENT ISSUES RELATING TO RECRUITMENT AND STABILISATION OF PERSONNEL IN THE ARMED FORCES AS WELL AS SECURITY AND RESCUE CORPS**“.

Conference objective:

Exchange of theoretical and empirical knowledge and experience of research work in the field of personnel management with focus on issues relating to recruitment and stabilisation of personnel in armed forces, police force as well as security and rescue corps in a European context.

Conference venue: *Liptovský Mikuláš - Penzión pod Barancom, Žiarska dolina*

Date: 16 to 17 May 2018

Topics of discussed issues:

- Analysis of the issues relating to recruitment and stabilisation of personnel in armed forces, police force as well as security and rescue corps in the European security context with focus on potential solutions.
- Practical results in addressing the current issues in the field of recruitment and stabilisation of personnel in armed forces, police force as well as security and rescue corps.

The discussion will be held at the plenary session and in sections according to the programme.

Outcomes of the seminar: Speeches will be published in form of an electronic volume on CD.

All articles will be reviewed. Articles for the volume must be written according to the desired model. You will be informed in case your article is *rejected*.

Articles are not financially rewarded.
