Dear colleagues!

We would like to invite you to the international scientific conference "POSSIBLE APPROACHES TO EDUCATION AND TRAINING OF MILITARY AND POLITICAL ELITES".

Conference objective:

Exchange of theoretical and empirical knowledge and experience of research work in the field of education and training of elites focusing on elites within the armed forces, security and rescue corps in the European Security Zone.

Conference venue: *Liptovský Mikuláš - Penzion ZIVKA Závažná Poruba*

Date: 26 to 27 October 2017

Topics of discussed issues:

- Issues of understanding elites within the armed forces, security and rescue corps in the European Security Zone with a focus on possible approaches to their education and training.
- Practical results in addressing the current issues in the field of education and training of elites within the armed forces, security and rescue corps.

The discussion will be held at the plenary session and in sections according to the program.

Outcomes of the seminar: Speeches will be published in form of an electronic volume on CD.

All articles will be reviewed. Articles for the volume must be written according to the desired model. You will be informed in case your article is *rejected*.

Articles are not financially rewarded.
